WELCOME TO FRANKLIN CARAVANS

Franklin™ has long been a household name in Australia, synonymous with the great outdoors and travelling adventures. As one of the largest caravan manufacturers in Australia's history, Franklin™ caravans have become Australian icons.

From the sun of the beach to the serenity of the bush, Franklin™ has been an integral part of many Australian holidays for a number of years, renowned for setting the standards for quality, reliability, durability and affordability.

This new Franklin™ series maintains the integrity of its history and reputation. It incorporates 21st century technology seamlessly into proven construction methods, bringing you models that feature

cutting edge design and include many luxury items as standard. Stylish, spacious interiors packed with innovative features and exterior finishes of the highest quality that make the statement: you are in a Franklin™.

Wherever you want to go, whatever you want to experience, there is a fully fitted out Franklin™, built to suit your lifestyle, waiting for you. So, visit franklincaravans.com.au or your nearest Franklin™ dealer, and ... **get connected to your lifestyle.**

CORE

Franklin™ Core has morphed into an outstanding, practical range of vans, the outcome of customer feedback and demand. The new model range is designed to meet lifestyle choices, combined with a host of essential and luxury features, layouts and all within the framework of meeting the needs of families, couples and solo travellers. The Core range maintains the Franklin™ history of uncompromising build standards, while representing outstanding value at competitive pricing.

RAZOR

When you take a Core, refine and embellish it to even more exacting standards, you get a Razor. Razor is built for customers who want more from their caravan. Uncompromising and built within the well-established Franklin™ build standards, Razor sets a new benchmark for quality and luxury caravanning, at an affordable price. Razor – it's the perfect balance of practicality, luxury and value.
