

*Jindabyne*  
PT22 Series

**ENGINEERED FOR  
ADVENTURE**

A breath of fresh air!

The Jindabyne series stands out as a perfect balance of stylish, functional appointments and outstanding value. The latest Jindabyne PT2270 even has 2 bunks to take the kids.

PT2270

PT2250 & 60

## THE JURGENS STORY

Our goal is to create the best caravans possible through intelligent design, genuine build quality and comprehensive testing.

We place emphasis on safe and efficient towing through engineering strength in where it is needed and taking weight out where it is not. Our products are light but not the lightest. We take into account building in all the features Australians expect and making a product tough enough for Australian conditions.

We appreciate style and understand how to optimise space for practical and comfortable living.

We have locally designed and built thousands of caravans in Australia developed specifically for our market since 2008.

Plus every Australian built Jurgens Caravan carries the DNA of 60 years international manufacturing experience. We are part of one of the largest caravan manufacturers in the southern hemisphere. Jurgens has been manufacturing in South Africa since 1952 and have built over 100,000 caravans.

We back our product with an industry leading factory warranty. We encourage you to compare us against our competitors. We are confident we have a lot to offer.

**Built in Australia**

# A BREATH OF FRESH AIR

Taking compact pop tops to a whole new level.

The space in a van of this size is incredible - you will feel right at home from your first trip.

The modern kitchen has it all. Food will always be on hand with a beautiful 3 way fridge and plenty of pantry space. Cook without a care with the latest stove, microwave and range hood. Even washing up won't be a chore with a well laid out sink!

There is plenty of room to enjoy your meal in the comfy dinette seating. And when you put your head down at night you will appreciate the luxurious inner spring mattress.

With all these features you will be hard pressed to find a better pop top for your money.

And the latest Jindabyne gives you even more freedom. The PT2250 & PT2260 come with a full ensuite in the form of separate shower, toilet and hand basin.

Fitted with a gas / electric hot water service as standard they are winners for free camping.

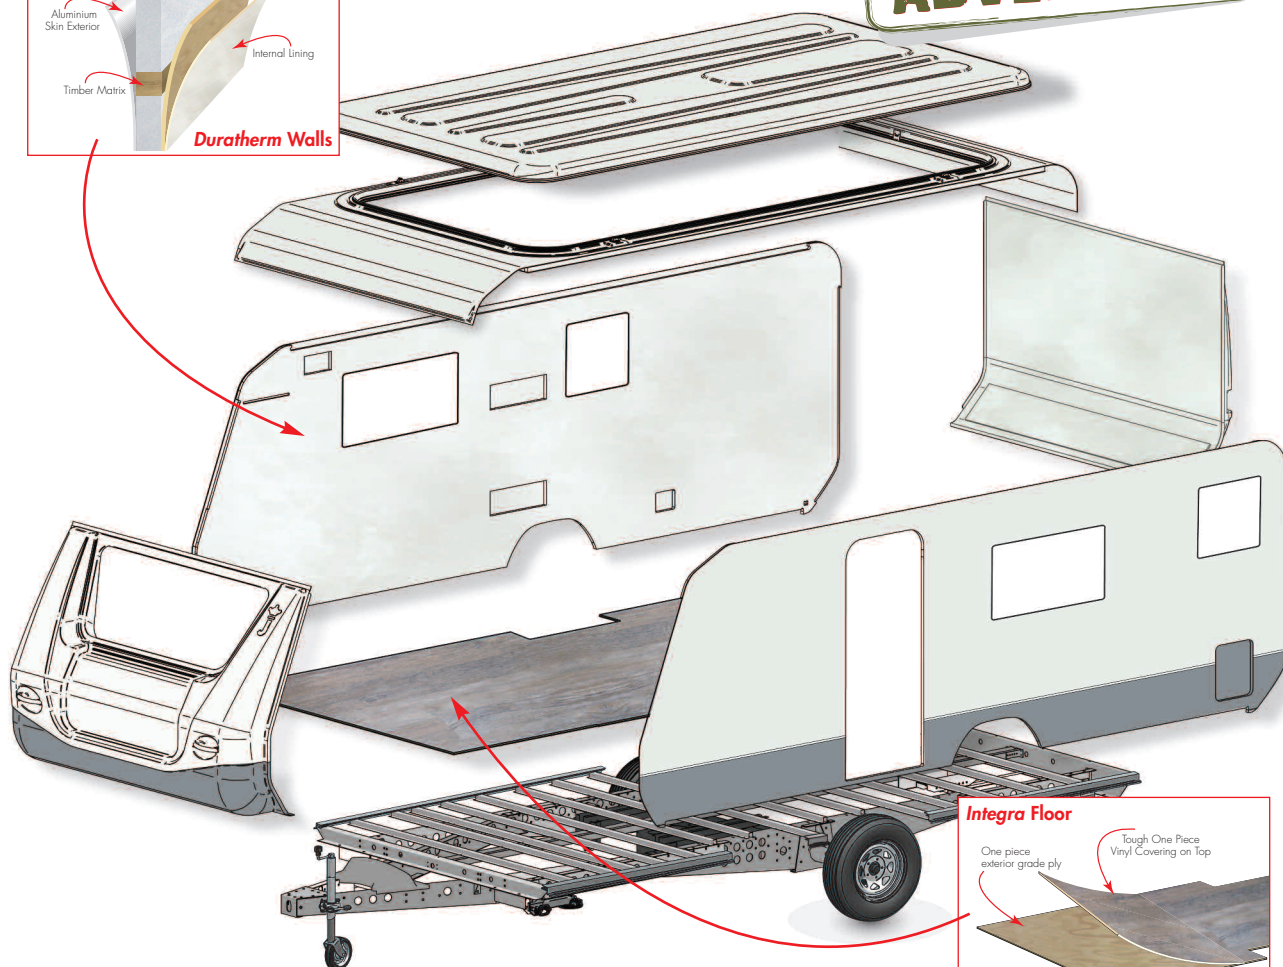

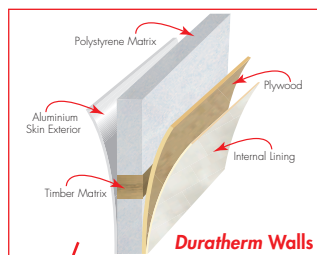

## FEATURES

- A. Microwave
- B. 3 way fridge / freezer - auto
- C. Rangehood 12 volt
- D. Stove / griller
- E. Choice of ensuite models with shower, toilet and vanity

# JURGENS

**ENGINEERED FOR  
ADVENTURE**

**TOP TO BOTTOM**

## UniskinROOF

- One piece fibreglass roof
- No joints to leak
- Great thermal & acoustic insulation
- High impact / hail resistance

## DurathermWALLS

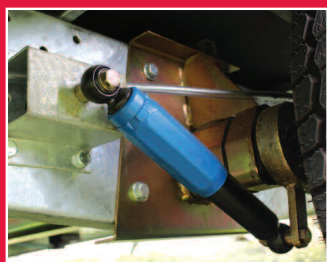

- Great thermal & acoustic insulation
- High impact / hail resistance
- Aluminium outer walls – low maintenance
- Fibreglass ends – tough & insulated
- No wiring / plumbing inside walls

## IntegraFLOOR

- One piece floor
- Exterior grade ply
- Bolted and bonded to chassis
- Adds structural integrity

## OptimaCHASSIS

- Engineered strength in & weight out
- Optimise durability & towing safety
- Bolted construction - high tensile, nyloc nuts
- Hot dip galvanised
- Fully independent suspension

**Independent Suspension**  
AL-KO IRS - proven dirt road capable

**AL-KO Electronic Stability Control**  
Optional

**Alloy rims - proven performers with a touch of class**

**Double glazed windows for thermal & acoustic insulation**

### EXTERIOR FEATURES

#### Performance

|  |   |
|--|---|
| <i>Optima</i> chassis - galvanised. Engineered for maximum strength and minimum weight   | AL-KO Independent Rubber Suspension - proven dirt road capable            |
| <i>Duratherm</i> walls - composite construction for impact resistance, insulation and weight saving - 23mm thick<br>aluminium outer skin for protection<br>internal 20 mm high density foam for insulation with structural matrix for strength<br>durable ply on inside of foam core for strength<br>interior lining - wash & wear | Shock absorbers   |
|  | Single axle   |
|  | 10" off road electric brakes  |
|  | Stud pattern - Land Cruiser 6 Stud  |
|  | Alloy rims 14"  |
| Front and rear panels - tough fibreglass construction  | Tyres - 195-R14C  |
| <i>Uniskin</i> Roof - one piece fibreglass. Profile design for strength and water drainage   | Spare wheel - PT 2260 & PT2230 underslung, PT 2210 & PT2250 in front boot |
| <i>Integra</i> Floor -<br>waterproof coating on underside<br>one piece exterior grade ply<br>tough one piece vinyl covering on top   | AL-KO coupler   |
|  | Jockey wheel  |
|  | Corner steadies   |

#### Function

|  |   |
|--|---|
| Awning - roll out  | Large lockable easy access boot                     |
| Water pump - 12v - PT 2250/60  | Gas bottles 4.5kg x 2                               |
| Hot water service - gas / electric 240v - PT 2250/60   | External access to internal storage (except PT2250) |
| Water tanks - PT 2250/60/70 80 litre. PT2210/30 60 litre - durable polyethylene construction | 240 volt inlet - external                           |
| Water tank filler / mains pressure inlet   | Annexe light LED 12 volt                            |
| Water tap external (works off mains pressure and water tank)                                 | Marker lights LED external                          |
| Double glazed windows for thermal and acoustic insulation                                    | Grab handles  |
| Stone protection blanket   | Jack - scissor type                                 |

### INTERIOR FEATURES

#### Comfort & liveability

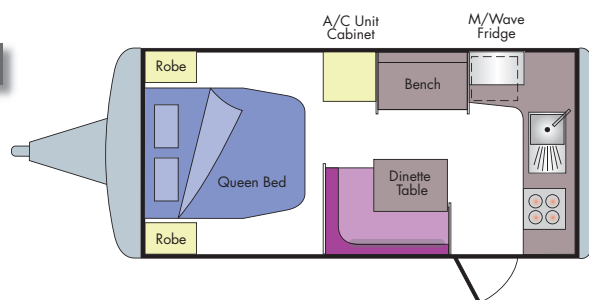

|   |   |
|---|---|
| Queen size / double extendable bed or 2 x single beds - refer layouts   | Tap to sink - mains pressure & 12v pump hot & cold PT 2250/60 |
| Ensuite (shower / cassette toilet / vanity) - PT2250 & PT2260           | Tap to sink - mains pressure & hand pump cold PT 2210/30      |
| Furniture - poplar ply, precision CNC router construction               | Blinds / flyscreens on all windows and doors                  |
| Wall and furniture surfaces - wash & wear                               | Curtains  |
| Vinyl floor - hard wearing  | Crockery set - plastic (6 person)                             |
| Fridge / freezer 3 way AES - PT2210/30/50/60 93 litre. PT2270 128 litre | <b>Technical</b>  |
| Grill (gas) / stove top (3 burner gas & 1 burner electric)              | Lighting system 12 volt LED                                   |
| Ranghood 12 volt  | 12v socket for TV connection                                  |
| Microwave   | Battery - On board  |
| Airconditioner - reverse cycle  | Water tank level & battery indicator                          |
| Radio / CD player   | Fire extinguisher & smoke alarm                               |
