

SOLARIS

We all yearn for experiences that make our lives more rewarding. Getting outdoors, seeing new places, spending time with friends and family and making new friends. None of this happens by accident.

SEIZE THE DAY AND MAKE IT HAPPEN FOR YOU

S  L A R I S

“bold & uncompromising”

## INTRODUCING

The Solaris represents the best of premium caravanning from Jurgens. At the forefront of style, the stunning interiors reflect a modern, bright feel. With plenty of choices of laminates and upholstery you can customise your interior to reflect your taste. The exterior is strikingly bold and sure to impress. All Jurgens Caravans are known for their dirt road capability and the Solaris really shines with high payloads and extra ground clearance.

Jurgens have forged a reputation for industry leading design and construction. Truly engineered for adventure, the Solaris takes advanced technology to the next level. A state of the art chassis combined with composite body materials deliver a light yet incredibly strong package.

# INTERIOR

- Wide choice of laminates and upholstery to create your own look.
- Well appointed kitchen is highly functional for all your culinary needs.
- Luxurious leather lounges and comfortable bed make it a true home away from home.
- Reverse cycle air conditioning will keep you cool in summer and warm in winter.
- Array of LED lights create the perfect mood.
- Control panel makes monitoring battery and water tank a breeze
- Flush mount doors and stylish handles complete the look
- Handy washing machine keeps your laundry up to date on the road
- Separate shower and toilet complete the experience

# EXTERIOR

Front window shield and tough coating protect your investment

Composite walls, floor and roof provide excellent thermal and a acoustic insulation.

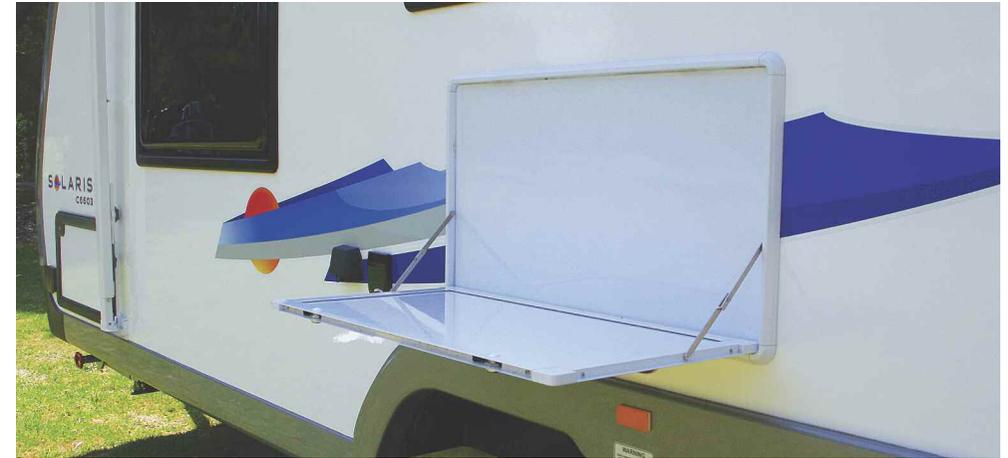

Strong yet light chassis has been comprehensively tested for optimum performance

Options such as bike racks increase the versatility of the Solaris.

Optional slide out BBQ or kitchen makes outdoor cooking easy

Picnic table gives you quick and easy outdoor bench space

16" alloy wheels and purposeful tyres look the part and get the job done

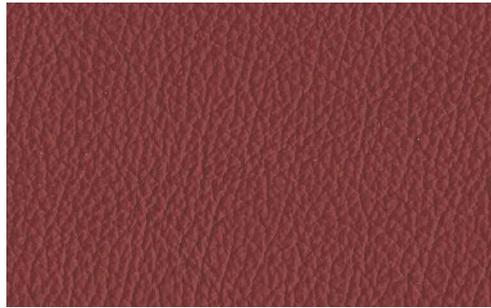

Trailing arm independent suspension and high ground clearance will get you more places
