

Explore that little bit further..  
The **Avan Adventure +** range is for the adventurer who wants to explore that little bit further down the unsealed road.

Now available as an addition to the ever popular Aliner and Cruiseline range, the Adventure + series is stacked with features to enhance your adventure. The upgraded 5" chassis, combined with the independent coil suspension and 15" wheels give you greater flexibility, while the air-conditioner, 80 watt solar panel, gas/electric hot water service and external shower ensure the comforts of home are not forgotten.
